Bath Fitter Honors Franchise Commitments as Store Closes in Grand Rapids

Springfield, TN --- On December 17, the Grand Rapids, Michigan Bath Fitter store closed its doors. The corporate customer service department at Bath Fitter is calling each of the current Grand Rapids customers to arrange for another area franchise to complete the Bath Fitter projects.

“We stand behind our products and the installation commitments made by our franchisees,” said Joe Spiezia, Director of Franchise Operations. “Even in this difficult economic climate, it is rare for our franchisees to close. But if that happens, Bath Fitter is ready to ensure that customers’ needs are served quickly and efficiently.”

About Bath Fitter

Bath Fitter is a leader in the bathroom remodeling industry. Since its founding in 1984, Bath Fitter has remodeled and refinished bathrooms in more than a million homes, apartment buildings, hotels, and other multi-unit properties through a network of franchised and company-owned locations across North America. Bath Fitter manufactures its own product: top-quality acrylic tubs, shower bases, and one-piece wall systems. Using a state-of-the-art thermo molding process, Bath Fitter’s tubs and showers are custom molded to fit right over the existing unit. For more information, please visit www.bathfitter.com.
