

CLEANER PRODUCT LIST

The following is a list of cleaners that showed no harmful effects when recently tested on Bath Fitter® acrylic surfaces.

Important Notice: When cleaning your Bath Fitter® products, use only cleaners listed below. All products must be used as directed on their labels, including diluting with water where necessary.

Caution: Many manufacturers make similarly named products.

ONLY the specifically named products listed here have been tested and determined to be safe.

It is important that you visit our web site regularly to get an updated copy.

Please consult this list regularly as it is routinely updated.
